NOW, THAT'S A KNIFE

Pa bought it at Dimick's. They are headquarters for Jos. Rodgers & Son's and Geo. Westenhofm's celebrated "I X L" Pocket Knives, Razors and Scissors, and their prices are low. I would not advise my friends to buy the so-called OUR OWN make—only buy goods that have a reputation, as life is too short to experiment with unknown goods. Heed the above advice and inspect our stock.

Congressman Laird Improved.
By Telegraph to the Post-Dispatch.
LITTLE ROCK, ARK., December 17.—A private dispatch from Eureka Springs, Ark., says: The condition of Congressman James Laird of Nebraska has improved. He came here out of the recent canvass broken down physically and mentally, and his friends were seriously alarmed, fearing a total collapse. Within the past week he has recuperated beyond expectation, and should the improvement continue may be able to resume his seat in the House after New Year's.

RIDDLEBERGER'S BOMB.

HIS RESOLUTION TO REORGANIZE THE SENATE AIMED AT INVALUABLE.

The Virginia-Kansas Speech by the Senator from Virginia—A Judgment Against the United States Gained by the New York Central-Representative Dunham Creates a Scene in the House.

WASHINGTON, D. C., December 17.—At 10:40 to-day President pro tem. Ingalls laid before the Senate the resolution of Mr. Riddleberger, proposing a reorganization of the Senate after January 1, and the author spoke in support of it. He said its object was to put some other than the Senator from Kansas in the chair, asserting that he had been the chief figure in the most disorderly scenes he could recollect occurring on the Senate floor. He said a change was necessary in order that the faith of the Republican party pledged to a consideration of the British extradition treaty in open session, might be kept.

At the conclusion of his remarks Mr. Riddleberger asked leave to withdraw the resolution, but objection was made by Mr. Harris of Tennessee, who moved to lay it on the table and called for the yeas and nays, after paying a high tribute to Mr. Ingalls' impartiality and ability. Finally the Senator from Virginia was permitted to withdraw his resolution, and the incident closed.

A Swamp Land Case.

WASHINGTON, D. C., December 17.—The Secretary of the Interior today rendered a decision in the case of the State of Michigan against the United States. The claim directly involves about thirteen hundred acres of land granted to the State under the swamp land act of 1850. The decision affirms that of the Commissioner of the General Land Office, rejecting the claims of the State and in favor of the present officers and occupants of the land.

Lowered the Age to Fifty.

WASHINGTON, D. A STRANGE DISEASE.

Solomon Zook of the Amist Colony Unable
to Stop Walking.

NEW CASTLE, Pa., December 17.—Solomon
Zook, an aged member of the Amist Colony,
living near New Willington, this country, is a
victim to a strange disease, similar to the
which made wonderful Walker Snyder, so
famous. Several years ago Mr. Zook was
stricken with strange malady and started on a
long, wearisome tramp. Every effort was
made to restore his reason, but to no avail.
Condition, but to no purpose. From morning
till night the unfortunate man would describe
circles around his farm house. When closed
of night clothed the earth in a somber cloak,
Zook would enter the house, only to
exit until exhausted. He would fall into a
chair, completely prostrated, only to remain
a few short moments, when his walk would be
resumed. This continued two or three times
when suddenly he grew better and was finally
restored to full health, with no desire for
pedestrianism.

One day last fall Zook attended a Republican
demonstration. Great excitement prevailed,
proving too much for Zook, and on his return
somehow he was horrified to find his old enemy
some more fastidious in his habits upon him.
His grow worse until he is unable to get the
least bit of rest. At times he falls exhausted
in a chair, only to enter the room, ex-
aggerated pain. The moment he steps in
his weary tramp his legs are drawn out of
all natural shape, and soon the power of
sufficient strength the poor man is up
and walking. At times he loses all control
of his limbs and they carry him against
a wall or partition in the house. In such
cases he is unable to reverse his position. His
legs keep up the regular stopping movement
and not until a member of his family comes
and his rescue is Zook able to get out of his
perilous position.

ICKASAW NATION FREEDMEN.
ht of Suffrage to be Contested Upon
the Negroes.

CHICKASAW, Ark., December 17.—The
Chickasaw Legislature, which is expected to
convene in special session shortly and con-
firm the election of William Gray as Governor,
will probably enact some kind of legislation
fixing the status of the negroes in the Chick-
asaw Nation. The Chickasaws, one of the
five civilized tribes, have denied the rights
of citizenship to freedmen living in their
country. Recently the question has been
raised whether under the constitution of the
United States the negroes could be deprived
of rights guaranteed by that instrument, and
there is a probability of a bill being passed by
the Legislature conferring suffrage upon
them. Many Chickasaws favor colonizing the
negroes in Oklahoma, and paying them for
their property and other rights acquired as
adopted citizens of the Chickasaw Nation.
The negroes outnumber the Chickasaws and
the latter fear that giving the negroes the
vote will be attended with dangerous conse-
quences.

A Fatal Encounter.

WHEELING, W. Va., December 17.—A tele-
gram from Berkeley Springs narrates a fatal
encounter at Howard's Chapel, Morgan
County, between two young men armed with
knives. George Mason and John Lamp in-
augurated a row about a watch trade, and Lamp
drew a knife and attacked Mason, stabbing him
several times. Both were wildly out, and
were bleeding freely when Lamp ran his knife
bladed through Mason's neck, ending the im-
promptu duel. Mason died instantly.

TAKING AN INVENTORY.

THE CHICAGO SYNDICATE'S AGENT EX-
AMINES THE EXTENSIVE PURCHASE

Congressman Nat Frank, D. C. Hamilton
and Julius S. Walsh Make a Tour of the
Citizens', Cass Avenue, Union and North-
ern Central Roads—Holmes and Hutchin-
son the Only Purchasers.

The big deal in local street railway stocks,
the full and complete history of which from
the beginning have been published in the
Post-Dispatch, is a matter of material interest
to all other papers, continues to agitate
financial circles and is the leading topic of
conversation among the brokers on Third
street. The sum of money involved in the
transaction, together with the effect it will
probably have in revolutionizing an important
branch of business and undeniably materially
the progress and advancement in street rail-
roads here, lends great interest to the enter-
prise.

Three million six hundred thousand dollars
was the figure furnished the Post-Dispatch
by Mr. Julius S. Walsh as representing the
purchase of stock. This morning's edition
learned that while this is very close to the
sum actually required to close the deal,
yet it represents only what will be
paid Mr. Walsh and his
immediate associates for their stock, or in
other words, for the stock that these gen-
tlemen can control. Mr. Nat Frank, the attorney
for the Chicago syndicate, stated to a Post-
Dispatch reporter that mindful of the inter-
ests of all parties who may hold stock in
greater or lesser amounts in any of the four
roads sold, Mr. Walsh had been careful to
stipulate in his original option, on the basis of
which the sale was made, that the syndicate
should take not only a controlling interest in
the roads, but all the stock that should be
offered them, whether by himself or other
stockholders. Mr. Frank's figure, as that
which he disposed of his own. Under
the agreement it is anticipated that
stockholders, with whom Mr. Walsh
has not been able to communicate, or whose
holdings are not included in the syndicate,
will be able to control the roads, and a
controlling interest, will seize the opportunity
to sell at a good figure and turn in their
justly earned stock over and above an actual con-
trolling interest will be offered, hence the
exact amount which will be paid for the roads
is not known and can only be estimated.

Stockholders will receive actual cash for
their stock at the prices originally given in the
Post-Dispatch. It is stated that the syndicate
including Northern Central, \$50 for Cass Avenue
and \$50 for Union. The syndicate has author-
ized the Third National Bank to pay out the
necessary amount and draw on them for it
through the Commercial Bank of
Chicago, of which Mr. O. L. Hutchinson,
one of the purchasers, is President. The total
liquidation of the Citizens', Northern Central,
Cass Avenue and Union is \$2,600,000, mak-
ing the total cost of the syndicate on its face
\$4,500,000.

When asked this morning if it was true
as stated in a morning paper that
Messrs. Edwin Forman, who is said to be a
dealer in lace and a relative of his, and E.
Hendel, both of Chicago, were interested
with Holmes and Hutchinson in the purchase,
Mr. Nat Frank said: "No persons are con-
nected with the deal, at all, excepting
S. B. Holmes and O. L. Hutchinson, relative
of Forman, and neither he or Mr. Man-
del appear in any other capacity than the
associates of Mr. D. G. Hamilton in acting as
the representatives of Holmes and Hutchinson."

"Who are interested with Holmes and
Hutchinson?"
"As far as I can learn that is
something which is known only to
Messrs. Holmes and Hutchinson and
the parties themselves—no, I will not say even
that much, because I don't know—I haven't
the faintest suspicion that there is anybody
else in the deal with them. Their names are
the only ones which appear as principals, and
I don't think even Mr. Walsh knows of any
other person or persons in it, if there are any
others."

"Will the Cass Avenue Line be sold?"
"That is not known at present. Nothing is
known on that point further than the fact that
the purchasers
WILL IMPROVE THE ROADS.
This is a general statement, and there is
nothing known about how they will be im-
proved."

"These reports about connecting the
Cass Avenue with the Citizens', calling the
Cass Avenue and putting electric motors on
the Union Line are all speculation."
"Just so—all speculation so far I know. The
authoritative statement was made that the
roads were bought as an investment, and that
they would be improved and operated on a
profitable basis; but the detailed plans of these
improvements have not been given out."
As it is o'clock this morning Messrs.
Frank, Hamilton and Walsh took a
car to rapidly as the stock is turned in at
the offices and stables of the Citizens', Northern
Central, Cass Avenue and Union lines. They
landed in which express was a controlling in-
terest the syndicate practically owns the
properties and can do as they please with
them.

FAMOUS

CARD.

Our competitors are evidently trying very
hard to meet our Great Slaughter Sale of Cloth-
ing, which we inaugurated some weeks ago, by
various methods, but in vain. TO MEET OUR
PRICES MEANS RUIN to any concern who paid
100 cents for their goods early in the season.
Our stock is larger than any in St. Louis. Our
goods are identical in quality and make-up as
those kept by any OTHER FIRST-CLASS HOUSE,
with but one difference—OUR PRICES ARE SO
MUCH LOWER that competing houses try to make
you believe THEIR goods are SUPERIOR. Com-
pare the goods with theirs, and then look at the
difference in the price. THAT WILL TELL THE
TALE.
